The British Consulate-General Department for International Trade section in Munich is seeking two interns for a period of 3 months.

Alternatively, mandatory internships can be offered for a period of up to 6 months.

You will have the opportunity to learn about the work of British diplomatic missions in Germany and Government Ministries in London, as well as networking directly with a wide range of UK and German companies. The British Consulate-General plays a key role in delivering the UK strategy on boosting British exports to, and inward investment from, Germany. In Munich this includes the Automotive and ICT sector.

During the internship you will gain insight into and become actively involved in a variety of areas related to trade and investment such as:

- Market research
- Event management
- Marketing and communication campaigns incl. social media;
- Stakeholder management;
- Administrative tasks (including budgets, reporting, CRM).

Ideally we are looking for someone to start on the following dates:

Mid-October 2017

January 2018

April 2018

We have openings for internships throughout the year and will try to accommodate your preferred starting date.
