Do you demand the best from your professional career? Are you inspired by excellence? At SAP, you will have the power to make a real impact. As the global market leader for business software, SAP helps companies and organizations in more than 25 industries to run better.

PURPOSE AND OBJECTIVES

SAP Education is the world's leading provider of training regarding SAP for all target groups of our customers and partners. Education is covering the complete Education business from sales through full delivery and operations in EMEA.

We are seeking a working student who's main task will be to create and carry out and monitor a survey.

EXPECTATIONS AND TASKS

- Help to set up and carry out a survey within the Inside Sales Community
- Plan and conduct interviews as part of the survey
- Ensure a high-quality content preparation of survey
- Define, trigger and track the necessary action items
- Offer all other ad-hoc administrative support as needed such as assistance for e-mail, calendar maintenance, business trip planning etc.

EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Student (f/m) at a university or university of applied sciences
- Preferred field of study: Business related studies
- Team player
- Friendly, flexible and service-oriented attitude
- Clear view for priorities and proactive engagement
- Ability to work independently and in a pro-active manner
- Excellent oral and written communication and presentation skills
- Intercultural experience and sensitivity
- MS Office, esp. Excel and Powerpoint
- English, German and Dutch language (fluent in spoken and written form)

!PLEASE APPLY ONLINE ON WWW.CAREERSATSAP.COM!

WORK EXPERIENCE

Previous work experience (e.g. internship) is beneficial.

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships).. Please describe as well your experience and skills in foreign languages and computer programs/ programming languages.

SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person
