Do you demand the best from your professional career? Are you inspired by excellence? At SAP, you will have the power to make a real impact. As the global market leader for business software, SAP helps companies and organizations in more than 25 industries to run better.

PURPOSE AND OBJECTIVES

As a professional internal service provider, SAP Global Health Management offers a comprehensive range of events, workshops, campaigns, and sports courses as well as medical, psychological, and social services. The department supports employees, managers, and teams at SAP, enabling them to tap their own potential by developing their health, wellbeing, fitness, stress resilience, talent, and performance levels. They can thus achieve, maintain, and support a balance between their workload and ability to perform efficiently.

EXPECTATIONS AND TASKS

- Support the team in the areas listed above
- Organize company health management measures or projects yourself

EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Student (f/m) of a university or university of applied sciences (FH)
- Strong MS-Office Skills
- Fluent in German and English, both written and spoken
- Good multi-tasking skills
- Flexibility
- Teamplayer
- Good communication and presentation skills
- Ability to work independently
- High level of commitment and initiative

WORK EXPERIENCE

First experience in the area of Health would be a plus.

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please describe as well your experience and skills in foreign languages and computer programs.
