### Course evaluation

The course contents were very well structured.

I was clearly made aware of the learning objectives.

The lecturer connected the contents of this lecture to other subjects (e.g. research, applications, other study contents).

The lecturer was competent.

The lecturer was well prepared.

The lecturer motivated me.

The lecturer demonstrated a high level of commitment in this course.

The lecturer treated students fairly.

The lecturer tried to make sure that we had understood the contents.

The course contents were illustrated very well by using appropriate examples.

The learning materials and recommended readings enabled me to prepare well for the course and/or examination.

Workload

On average, how much time did you spend each week preparing for this course and working through the materials?

The average workload for this course was appropriate relative to the ECTS/Credits I will receive for it (One ECTS credit corresponds to an average of approx. 30 hours).

Workload and material were appropriately distributed across the sessions.

The workload for previous on-campus courses was significantly lower than for digital courses.

Digital infrastructure

The course was taught (Multiple answers possible)

Which devices did you use to participate in and prepare for the course? (Multiple answers possible)

Accessing the online learning platform was possible without difficulties from all devices.

The materials I needed from the university library were accessible without problems.

Participating in the course via eduroam while on campus was possible without any problems.

Digital teaching

The learning platform Ilias integrates different learning tools. Which ones were used?  
(Multiple answers possible)

The lecturer integrated the learning tools well into the course.

The learning tools helped me in this course.

The lecturer were very competent in their use of digital learning tools and platforms.

The lecturer encouraged us to actively engage with the contents of the course

Students' contributions

The lecturer encouraged the open and creative participation of students.

The lecturer allocated enough time for questions and objections.

The students were well prepared.

Students' contributions were adequately complemented by the lecturer.

There was enough time for questions and discussions.

The lecturer ensured the discussion was well structured.

Did you have to prepare and present your own contributions for the course (e.g. presentation, planning a session etc.)?

The lecturer provided sufficient support for the preparation of student contributions.

Es wird keine Auswertung angezeigt, da die Anzahl der Antworten zu gering ist.

The lecturer's planned student contributions were suitable for digital teaching.

Es wird keine Auswertung angezeigt, da die Anzahl der Antworten zu gering ist.

Connection to the rest of your studies

The meaning of the courses contents for the rest of my studies was made clear.

My understanding of my studies overall has progressed because of this course.

The scientific approaches and theories presented in this course helped me put other courses' contents into a different perspective.

Was this course taught in conjunction with a tutorial?

The tutorials helped me better understand the contents taught in the course.

The tutorials offered sufficient opportunities to ask questions left open after the course.

Questions about yourself

I went to this course as part of my...

Could you have visited another course in this module instead of this one?

Questions concerning the questionnaire

This questionnaire helped me to express my opinion about this course.

Overall evaluation

Overall, I was very satisfied with the lecturer.

Overall, I was very satisfied with the course.

I learned a lot in this course.

The level of this course was appropriate.

The level of this course was...

Excluding my opinion of this particular course, my interest in the topics of this course was...
