Join us as Intern or Working Student
Graphic Design

You are:
• a self-motivated team player with selfinitiative
• an enrolled student (design-related studies)
• willing to take over a lot of responsibility
• able to handle parallel tasks at once
• a problem solver with the will to learn quickly
• looking for a min. 3 months internship or student job

You have:
• profound knowledge of common social media channels
• excellent verbal and written communication skills in German and English
• basic knowledge of common CMS platforms
• profound skills in Adobe Creative Suite (Photoshop, InDesign, Illustrator)
• good skills in Microsoft Office
• first-hand corporate or start-up experience

Your tasks:
• support mainly but not only our online marketing and social media team
• conceptualize and execute our online marketing content plan
• create digital/graphic content for our social media channels and website
• analyze our target group and improve our communication strategy accordingly
• create all sorts of graphic designs
• think of new (online) marketing concepts
• support the rest of the team with ideas and good vibes!

We offer you:
• insights into business development and entrepreneurship in a fast-growing startup
• flexible work hours and home office options (if project allows)
• a dynamic, energetic, easy-going and experienced young team
• atmosphere that encourages learning and growth
• plenty of space to develop your own ideas
• the best coffee in the startup environment in Mannheim
