

Internship Opportunity! **Linguistic Game Testing in Spain!** **Welcome to Localsoft!**

FREQUENTLY ASKED QUESTIONS

1. **Do I need to know Spanish?**
No, Spanish is not required. Our main language of communication is English.
2. **What will be I doing during my internship at Localsoft?**
You will be part of an important final Linguistic Quality Assurance process. You will be ensuring the German language quality, verifying that there are no grammar, spelling, context or consistency mistakes, mistranslations, cultural issues, etc. You will correct any mistakes found and you may also be asked to translate some missing parts.
3. **What type of text will I be verifying?**
We work on world-famous videogame products in PC, console, VR and mobile platforms and you will be ensuring that the German translation quality is correct in any of the games we may be working on during your internship.
4. **I don't have any experience in Linguistic Quality Assurance, does it matter?**
We will have a "tutor" who will help and train you to get to know our workflows and programs, so it is not a problem at all.
5. **Will I be working alone?**
You will be part of our international team. While you check the quality of German, your colleagues will be checking the quality in other languages.
6. **What is the timetable?**
The internship is 8 hours per day, 40 hours per week. The normal timetable is from 8.30-17h or 9.30-18h depending on the game.
7. **Can I do the Internship remotely?**
Due to strict security and confidentiality requirements, we do not offer remote options.
8. **How is the work environment at Localsoft?**
We are an international team of 20+ nationalities working in a fast-paced, friendly work environment.
9. **When do you take interns and how long can my internship be?**
We take interns throughout the year from 4 weeks to 6 months.
10. **What do I have to do to be selected?**
Due to quality requirements, you will have to pass our German linguistic test in Excel format. We will send it to you by email on the scheduled date and time.
We will let you know the result within 48h.
11. **Have you had other interns? What do they say about their experience?**
We have had many interns and we have received positive feedback:

Tjorben: "A welcoming team which is amazing to work with."
Tim: "Very nice coworkers and a pleasant atmosphere."
Calvin: "Friendly team, fun to work with and free Coke!"
Apo: "After an internship opportunity, I got offered a position as a French LQA Video Games tester, which allows me to work in a field I enjoy."
Arianne: "I will definitely be happy to work with you again."
12. **Does Localsoft offer paid work for Linguistic Quality Assurance (LQA) testers?**
We work on many German language projects and we are always interested to know if you or your friends would like to work with us. Contact us for temporary work:
